

**FEATURED FISHERMAN QUESTIONNAIRE**

**On our SPC Website we have a section called “Featured Fisherman”. These are brief articles about Co-op fishermen – how they got started fishing, why they enjoy it, etc. Our customers love to see these articles and we are trying to build a good inventory of them for the website and would really appreciate your participation! You can use this questionnaire or write your own “article” about yourself and your story. If you have any digital pictures of your vessel and candid moments on the water please submit them as well. Send your information and pictures to Kathi Lester in the Bellingham office at [klester@spcsales.com](mailto:klester@spcsales.com).**
